

Dr. Peter D. Carlesimo, DDS

Director of Dentist Recruiting & Clinical Oversight

Dr. Peter D. Carlesimo has been practicing general dentistry for more than 20 years. "Since the start of my career in 1994, I have always been humbled to help others while providing compassionate care." In 2009, Dr. Carlesimo was honored to begin serving on the Colorado State Dental Board, helping to protect the public by ensuring the highest quality of care is being provided by Colorado's dental professionals. After having served as Vice-Chairman for two years, he has been elected, and now serves, as Chairman of the Board.

For many years, PERFECT TEETH™ has given him the ability focus solely on what he is passionate about; providing great dental care to all of his patients. He believes so strongly in the value that the organization provides dentists that he has taken on the role of Director of Dentist Recruiting and Clinical Oversight for the company. While he has taken on this new role, he still enjoys practicing general dentistry for PERFECT TEETH™ in Loveland.

His career as a dentist started after he earned his undergraduate degree at John Hopkins University in 1989 and his Doctor of Dental Surgery (DDS) in 1994 from the University of Maryland.

Dr. Carlesimo completed dental school as a member of the honor society and went on to complete a year in the University of Maryland's Advanced General Dentistry program. This program allowed him to make a smooth and successful transition into his private practice in Maryland where he developed his passion for helping others.

Over 11 years ago, Dr. Carlesimo sold his private practice in Maryland and moved to Colorado with his family and started working for PERFECT TEETH™. Ever since, he has been able to enjoy the quality of life that Colorado has to offer because of the work-life balance that PERFECT TEETH™ provides.

Dr. Carlesimo describes himself as a lifelong learner; he is a member of the American Dental Association and the American Association of Dental Boards and serves on its Advocacy Committee to ensure equality and diversity. Additionally, he is enrolled in the Master's Degree (Distance Education) program at the Augustine Institute located in Greenwood Village.

When he is not practicing dentistry he spends his time with his family which includes his two school-aged daughters. His family stays active not only in the vast outdoors but with their household full of animals.

The PERFECT TEETH™ network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
