

Samuel Peterson, DMD

Dr. Samuel Peterson completed his undergraduate degree in Exercise Science at Brigham Young University. Before going to dental school he spent two years working as a dental lab technician making crowns and veneers. He went on to complete dental school at Temple University Kornberg School of Dentistry where he received his Doctor of Dental Medicine (DMD).

Dr. Peterson is currently a member of the American Dental Association and has also completed many certifications as well as continuing education courses to keep up with the developments in the dental

industry. He is excited to take his knowledge and experience and apply it as he cares for his patients. "PERFECT TEETH™ offers me the support I need so I can focus solely on taking care of my patients."

When not practicing dentistry, Dr. Peterson enjoys spending his time with his wife, four children and his friends. He also enjoys rock climbing, reading and playing games. What you may not know about Dr. Peterson is that he is the youngest of eight children. He says, "Having endured five big brothers and two older sisters, my siblings have dubbed me the nice, patient one."

We cannot wait for you and your family to meet Dr. Samuel Peterson!

The **PERFECT TEETH™** network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
