

## Nicholas M. Sigman, DMD

Dr. Nicholas Sigman received his undergraduate education from The University of Kansas. He then went on to complete dental school at Southern Illinois University School of Dental Medicine where he received his Doctor of Dental Medicine (DMD).

Dr. Sigman has been practicing dentistry for more than 6 years and specializes in general, family and cosmetic dentistry. He has received the Horace G. Wells Award for Excellence in Dental Anesthesiology and also volunteers his time teaching at the Dental School at the University of Colorado in Denver.

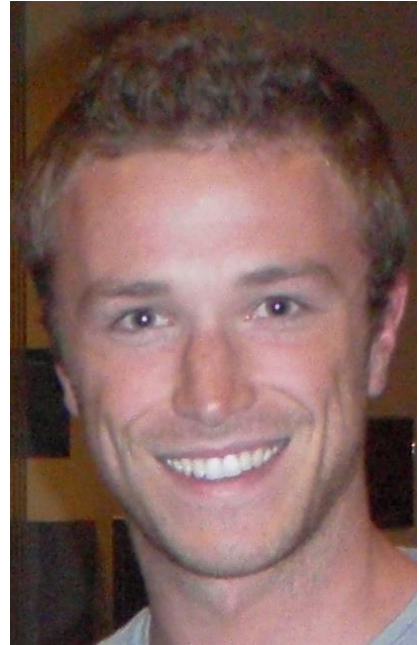

He is a member of multiple professional organizations including the American Dental Academy, the Colorado Dental Academy, the Academy of General Dentistry, the Boulder/Broomfield Dental Society and the Denver Implant Study club.

Dr. Sigman joined PERFECT TEETH™ in 2013 and enjoys being able to work within a network of general dentists and specialists to draw experience and knowledge from. Also, the organization has allowed him the freedom to practice dentistry in a town that he has always wanted to live in, Boulder, CO.

What is his practice philosophy? "My goal is to provide top quality dental care in stress free environment. I genuinely approach treating patients with a proactively conservative approach. I treat every patient with the same respect and honest care as I would for my own mother."

When not practicing dentistry, Dr. Sigman enjoys all that Colorado has to offer including rock climbing, hiking, skiing and riding his road bike. What makes Dr. Sigman smile? He especially loves spending time hiking with his dog, Slash.

We cannot wait for you to meet Dr. Sigman!

---

The **PERFECT TEETH™** network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
