

Helena Becker, DMD Endodontist

Dr. Helena Becker graduated from Radford University with her Bachelor's Degree in Chemistry, and then went on to receive her dental education and endodontic specialty training from the University Of Pennsylvania School Of Dental Medicine. During her specialty training she served as Chief Resident as well as represented students nationally on the Dental Benefits Committee for the American Association of Endodontics.

Dr. Becker has been recognized for excellence in endodontic and received the Samuel R. Rossman Scholarship for Excellence in Clinical Skills and Community Service. She has also been acknowledged at Penn School of Dental Medicine for her contribution in the field of micro endodontic treatment and endodontic microsurgery. Dr. Becker has experience working directly with general dentists, in private endodontic practice as well as multispecialty practice.

With the most technologically advanced and evidence based techniques and instruments available, Dr. Becker will address each endodontic case with enthusiasm, confidence, professionalism and comfort. Dr. Becker believes strongly in helping patients understand the process to obtain the best treatment plan and ultimate treatment outcome possible.

We cannot wait for you to meet Dr. Helena Becker!
