

Barbara Hymer, DDS

Board Certified Pediatric Dentist

Dr. Barbara Hymer completed her undergraduate education at the University of Colorado in 1985. She was awarded her Doctorate of Dental Science (DDS) degree from the University of Colorado School of Dentistry in 1990.

Dr. Hymer stayed at the School of Dentistry after being accepted to and completing a year in an Advanced Education in General Dentistry Residency.

She was then accepted into the Pediatric Dental residency at The Children's Hospital in Denver. Upon completion of the two year residency, she remained at The Children's Hospital for 12 years teaching, managing the residency as Program Director and, for the last two years there, the interim Chair of the program.

Dr. Hymer joined PERFECT TEETH™ over 10 years ago. She enjoys working in a network with general dentists, orthodontists and other dental specialists. She is a member of multiple professional organizations including The American Academy of Pediatric Dentistry, the American Board of Pediatric Dentistry and the Colorado Academy of Pediatric Dentistry. Dr. Hymer also maintains privileges at The Children's Hospital.

She states that her practice philosophy is to "create an environment at my practice that is comfortable and safe for children. It is most important to educate our families and prevent dental disease." When not practicing dentistry, Dr. Hymer states that she enjoys spending time with her family, enjoying her horses and gardening.

We cannot wait for you and your family to meet Dr. Barbara Hymer!

The **PERFECT TEETH™** network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
