[PERFECT TEETH™](#), a network of dental offices in Colorado, New Mexico and Arizona operated by Birner Dental Management Services, Inc. (NASDAQ Capital Market: BDMS), announced today plans to open a state-of-the-art digital dental practice and training center in Scottsdale, Arizona on October 9, 2014.

Established in 1995, PERFECT TEETH™ is the largest provider of high-quality, comprehensive dental care in Colorado and New Mexico with a growing presence in Arizona. The new practice, located in Scottsdale, AZ, will be the third PERFECT TEETH™ digital dental office to open in the last twelve months, and the 67th for the company nationwide. The company plans to open a 68th practice in Albuquerque, New Mexico, in early 2015.

PERFECT TEETH™ – Frank Lloyd Wright will be managed by Adam J. Battaglia, DDS, an Arizona dentist who believes the practice gives him the opportunity to “deliver world class dentistry, and same day service to the wonderful people of Arizona.”

The new dental facility will offer a full range of general dentistry employing the latest digital technology, and plans to offer orthodontic services within the next thirty days. Additionally, the practice is located adjacent to a PERFECT TEETH™ Training Center—providing education and best practices to area dentists and administrative staff.

“It’s very exciting to open our seventh dental office in the Phoenix area, and tenth in Arizona,” said Fred Birner, chief executive officer of BDMS. “By continued expansion in Arizona, we can ensure our patients have easy and convenient access to high-quality, comprehensive dental care. The upcoming opening continues to endorse our gold standard patient care and expands service to the residents of Scottsdale and its surrounding communities.”

For the October 9, 2014 opening, PERFECT TEETH™ – Frank Lloyd Wright will provide pro bono dental services to selected patients in need.
