

## America A. Nazar, DMD

Dr. America A. Nazar was born in Iran and moved to the United States in pursuit of fulfilling her life-long dream of becoming a dentist. She completed her undergraduate education at Arizona State University where she graduated Magna Cum Laude. She then went on to complete dental school at Midwestern University where she received her Doctor of Dental Medicine (DMD).

Dr. Nazar is a member of multiple professional organizations including the American Dental Association, the American Association of Women Dentists as well as the Arizona Dental Association. She also enjoys volunteering her dental skills at events including the Give Kids a Smile Day and Super Sealant Saturday events.

When not practicing dentistry, Dr. Nazar enjoys spending her time knitting, scuba diving, and rock climbing as well as home improvement. She doesn't watch much TV but if she does she enjoys the History and Discovery Channel. Dr. Nazar also loves to travel, especially to new places when she is on vacation.

What is Dr. Nazar's practice philosophy? "My goal is to satisfy each of my patients. I treat each patient as if I am that patient sitting in the chair. I will attend to their needs so that I can ensure they have 100% satisfaction with their care."

We cannot wait for you and your family to meet Dr. America Nazar!
