In the warmer months, they enjoy spending time outside gardening and landscaping around their house with their two rescued golden retrievers.

Dr. Tabor and his wife volunteer their time for United Services Organization (USO) at Denver International Airport for active and retired military. In addition, they have volunteered their time at the Hearts and Horses Therapeutic Riding Center in Loveland, Colorado.

Dr. Tabor enjoys the finer things in life including travel, good food, fine wine, theater, friends and “a good clean joke!”
