

Sarah Nazeri, DDS

Dr. Nazeri graduated with honors from The University of Colorado in Boulder, Colorado in 2004 where she received her BA in Biochemistry and Chemistry. She continued her education and received her Doctor of Dental Surgery (DDS) from the University of Colorado Health Sciences Center in Aurora, Colorado in 2009.

Dr. Nazeri is a member of numerous dental societies including the American Dental Association and the Colorado Dental Association. For the past 6+ years she has donated her time and dentistry skills to the Colorado Mission of Mercy event. Also, Dr. Nazeri has spent time educating the public about proper oral health through frequent visits to nursing homes and schools in the area. In fact, when she practiced dentistry in New Mexico she would perform dentistry for underprivileged children. This experience inspired her to help establish a rural New Mexico school based dental health program in Des Moines, New Mexico.

When not practicing dentistry, Dr. Nazeri enjoys spending her time in the Colorado outdoors doing activities like gardening, fishing, camping, hiking and riding her motorcycle. She also enjoys spending time doing crafts. Dr. Nazeri is an avid animal lover and she has a dog and cat of her own.

Dr. Nazeri's interest in dentistry started at a young age as she had numerous dentists and saw the many differences between dentists and care. She is devoted to dentistry and providing patients with the best, most comfortable and comprehensive care possible.
