

Roy Wortham, DDS

Dr. Roy Wortham completed his undergraduate education at The University of Wyoming in 1984. He went on to complete dental school at Creighton University School of Dentistry where he received his Doctor of Dental Surgery (DDS) in 1989.

Dr. Wortham is a member of the American Dental Association, the Colorado Dental Association, and the Larimer County Dental Society. He has 24+ years of experience practicing general dentistry which has given him the extensive experience diagnosing and referring patients when needed. Dr. Wortham believes that dentistry is the perfect fit for him. "I am a perfectionist by nature. Dentistry begins with the heart and if your heart is right you will do good dentistry." He is passionate about practicing dentistry as it allows him to meet new people and provide his patients with a unique, one-on-one experience that he finds invaluable.

When not practicing dentistry, Dr. Wortham enjoys spending time with his family. They like to do many activities together including reading books and playing basketball, tennis and disc golf. He also enjoys spending his time doing projects around the house. His latest projects include building a large shed in the backyard and green house for gardening.

What is Dr. Wortham's philosophy? "Bless people every chance you get. Love people through tough situations. Respect people and never pass up an opportunity for a good heckle!"

The **PERFECT TEETH™** network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
