

Namrata Hardy, DMD

Pediatric Dentist

Dr. Namrata Hardy received her Bachelor's degree from Michigan State University, graduating with honors. She then attended Tufts University School of Dental Medicine in Boston, MA, where she received her dental degree.

Dr. Hardy went on to complete a two year residency in Pediatric Dentistry at Brookdale Hospital in Brooklyn, NY, where she received additional training on the unique requirements of treating infants, children, adolescents and those with special health care needs. Much of this additional training focused on how to make a positive associate between children and their dentist based on child psychology. That's why kids love visiting our dentist!

Dr. Hardy is a member of the American Academy of Pediatric Dentistry as well as the American Dental Association. She has been actively involved with the American Student Dental Association and the American Dental Political Action Committee, advocating for the best interests of dentists in their goal to provide the best oral health care to patients.

Dr. Hardy strives to build a personal relationship with each and every one of her patients to give them a fun, rewarding experience! Dr. Hardy participates in community outreach events such as Give Kids a Smile Day and enjoys visiting elementary schools to educate kids on proper oral hygiene and instruction.

When not practicing dentistry, Dr. Hardy enjoys practicing yoga, cycling, cooking, and spending time with her family.

We cannot wait for you and your family to meet Dr. Namrata Hardy!

The **PERFECT TEETH™** network of dental offices is the largest provider of dental services throughout Colorado, New Mexico, and Arizona with 65+ offices and more than 100 dentists providing both general and specialty dental services.
