**BIRNER DENTAL MANAGEMENT SERVICES, INC. RELOCATES AURORA, COLORADO PERFECT TEETH OFFICE AND MAKES DONATION TO LOCAL COMMUNITY ORGANIZATIONS**

DENVER, CO — May 9, 2012 – Birner Dental Management Services, Inc., which operates PERFECT TEETH™ dental practices, recently donated dental equipment to Total Oral Prevention Strategies (TOPS) and Goodwill Industries®. Donated items included panorex machines, patient operatory chairs, provider stools, exam lights, waiting room chairs and dental carts.

TOPS is dedicated to eliminating health disparities in our communities and providing access to excellent comprehensive dental care for underserved children and families. TOPS partners with early Head Start programs and other organizations serving low-income children and families including Denver Public Schools and Warren Village in Denver.

Goodwill has helped people go to work since 1902. To pay for its programs, Goodwill sells donated goods and other items in more than 2,600 stores and on its auction site, [shopgoodwill.com](http://shopgoodwill.com).

The donation was a result of the relocation and modernization of the Perfect Teeth dental office now located at 17200 East Iliff Avenue in Aurora, CO. The new, state-of-the-art facility offers a full array of general dentistry services including preventive, restorative and cosmetic dentistry utilizing all digital equipment, including a digital x-ray system and a diagnostic intraoral camera.

“We are pleased to have the opportunity to serve such vital and worthwhile organizations as TOPS and Goodwill,” said Fred Birner, CEO of Birner Dental Management Services. “Both organizations provide invaluable services to our community.”

“Birner Dental’s generosity will help us achieve our goal of providing comprehensive dental services, including prevention, education and increased access to care for Denver’s underserved children and families,” said Melissa L. Guzman, executive director of TOPS. “At TOPS, we strongly believe that good oral health is an essential component of maintaining overall good health.”
